

Please bring this coupon to the Merchant participating in the “Celebration Gifting” program. Thank you for supporting SHARED and aiding in our mission to improve access to the essentials of good health for the world’s poorest people. Through our “Celebration Gifting” program we invite celebrants of life’s landmarks such as weddings, civil unions, anniversaries, and birthdays to acknowledge those events in socially responsible ways. We have been directed to your business as a **certified conflict-free diamond jeweler** and company dedicated to the sale of products that do not finance war or damage the environment. In exchange for the first time patronage of customers referred to your company by SHARED we ask that, as promised, you make a tax-deductible donation to SHARED for 5% of the total sale price of the purchase. We thank you for your partnership and dedication to the mission of SHARED, to contribute positively to global health.
